What

An afternoon of seminars and networking opportunities for lesbian, gay, bisexual and transgender students interested in a career as a lawyer in the City. The event will include a review of City law firms, talks from successful LGBT+ City lawyers and careers skills workshops. This is a great opportunity to talk to representatives from some of the top firms about what it's like to be out in the City and find out more about the graduate recruitment process. This award winning event is unique as it also offers all attendees the chance to be individually mentored by an LGBT+ lawyer from one of the participating firms, giving you an inside track. Reasonable travel expenses will be reimbursed.

For further details and to apply, please visit www.diverscityinlaw.net or the graduate recruitment website of any of the participating law firms.

Why?

We'll let former participants at DiversCity explain...

'An excellent insight and experience to working in the City as an LGBT individual. Not to be missed!'

'As an LGBT individual seeking to enter the legal profession, I found the DiversCity event to be hugely educational, reassuring and a fantastic opportunity to network with inspirational professionals.'

'I would really recommend attending DiversCity. It's a unique opportunity to meet LGBT+ lawyers from a wide variety of law firms. The event provides a great opportunity to network both with current lawyers and other students. I gained some great tips about what law firms are looking for in applicants as well as a real confidence boost from meeting people who have been there and done it before me.'

We hope to see you there!
